PROFESSIONAL SUMMARY

Full-Stack Developer skilled in designing and building scalable, user-friendly, and secure web applications. Proficient in React, Bootstrap, Tailwind CSS for front-end development and Node.js, Express.js, and PHP for back-end systems. Experienced with MySQL, MongoDB, and Supabase for database management, Socket.IO for real-time communication, and AWS S3 for cloud storage. Strong knowledge of OWASP security principles to ensure secure software development.

TECHNICAL SKILLS

- **Frontend:** React, Bootstrap, Tailwind CSS
- **Backend:** Node.js, Express.js, PHP
- **Databases:** MySQL, MongoDB, Supabase
- **Cloud & Storage**: AWS S3, Supabase Storage
- **Real-Time Communication:** Socket.IO
- **Security Practices:** OWASP Security Principles
- **Programming Languages**: JavaScript, PHP, SQL, Python, Visual Basic

CERTIFICATIONS

- Diploma in Computer Science — 2024
- Certified Web Exploitation Expert (CWEE) — 2024
- Certified in Cybersecurity and Ethical Hacking — 2025

EXPERIENCE

Web Development Tutor – LISFN ABU, Zaria   2022 – 2024

- Delivered training on full-stack development including React, Node.js, PHP, and database integration.
- Guided students in building scalable web applications following modern security practices.
- Led project-based learning sessions to develop real-world web solutions.

IT Support – ABUMDAF ABU Zaria   2025 – Present

- Provided web-based solutions to improve institutional operations.
- Assisted in maintaining and updating internal applications.

PROJECTS

- **Restaurant Management System**
  Developed a web platform for order processing, inventory control, and customer interaction.

- **Online Journal Platform**
  Designed a secure online platform for content creation, management, and publishing.

- **Geo-enabled Job Platform**
  Built a location-based job platform with real-time updates using Socket.IO and cloud storage for assets.

EDUCATION

- Diploma in Computer Science – Iya Abubakar Institute of ICT, ABU Zaria — 2021-2023
- Certified in Cybersecurity and Ethical Hacking – ICDFA Nasarawa — 2024-2025

SOFT SKILLS

- Critical Thinking & Problem Solving
- Communication & Team Collaboration
- Analytical & Research Skills
- Time Management & Multitasking
